Experience

WordPress Web Designer And Developer
Working as a freelancer since 2018 and continue to do so.

As a passionate freelancer on Freelancer.com, I am a seasoned WordPress Web Designer and Developer, wielding 5 years of expertise. My canvas is the digital realm, where I craft visually stunning and functionally robust websites. With an eye for detail and a commitment to user-centric design, I bring concepts to life, ensuring every project is a unique masterpiece.

Senior Web Developer (Remote)
Webmaster California, USA
2020 - 2024

As a Senior Web Developer at Webmaster California, USA, I honed expertise in remote collaboration, leveraging diverse technologies. Gained invaluable experience shaping dynamic web solutions.
